- **4th December** - submit storyboard
- **21st December** Final deadline

Annotated bibliography

- Demonstration of reading you have engaged with
- Critical comments on why/how reading (text book, journal paper, website) is relevant to this module (design and development of a resource)
- **Examples**
 - Nuala Sweeney: <http://ditportfolios.learnonline.ie/view/view.php?id=1587>
 - Steve Meaney: <http://stivven.wix.com/e-portfolio#!submissions/vstc4=instructional-design>

Academic writing..

- Referencing to the literature, what you are currently reading
- Peer reviewed Journals, books
- Recognised web resources, blogs, twitter..., wikis
- Important to *cite sources accurately*

Instructional Design Module

What is an elearning resource?

What is an elearning resource?

- Learning objects (small digital resources, whole units of learning)
- Reusable learning resources
- Digital assets
- Information objects
- Learning activities

Previous MSc resource examples

- Guide to prevent child obesity
- <http://dl.dropbox.com/u/7254603/child%20obesity%20-%20a%20guide%20for%20parents%20%28combined%20course%29/player.html>
- An introduction to cystic fibrosis
http://dl.dropbox.com/u/35330863/cystic_fibrosis_explorer/player.html
- Teaching percentages
<https://sites.google.com/site/percenttestsite/home>
- Becoming an eTeacher:
<http://sites.google.com/site/becominganeteacher/>
- Family History Resource Tutorial for the National Library of Ireland
<http://www.nialldixon.utvinternet.com/player.html>
- For more – browse previous MSc student ePortfolios

[Working as a group PPT](#)

NDLR learning resources

www.ndlr.ie

- NDLR Creative commons
- Funding initiatives to develop shareable elearning resources
- NDLR training workshops
- Communities of practice

Sharing of resources?

As a class we could make elearning resources available to future students/ or available to NDLR?

Opinions?

Repositories for learning objects

- Open Educational Resources, <http://www.oercommons.org/>
