Q: What can Scoop.it be used for:
## A: Use Scoop.it! To Collect & Share Online Content You Like On A Custom-Themed Site

Scoop.it! is a curation platform that enable users to collect news, articles, and other sources found on the net, and share them on a custom-themed Scoop.it! site. It's like bookmarking articles on Delicious, but with a more visual and online magazine-like format.

1. Open up your Web Browser and on your address bar type in the following:
   www.scoop.it
2. If you have the notes open on your screen, hold down the control key and click on the link: http://www.scoop.it/

3. How to sign up: click on **Sign Up for Free**
